

# Impact Stories 2023-2024

### Ms. Rios - FLL # 54574 Mentor

Pair of Dice has made such a great impact on our newbie team. Having such an enthusiastic diverse team interact with kiddos has made them believe that they too, are capable of great things. Our team is who they are because of the time and dedication Pair of Dice students have invested in us.

### Audra- FLL #56586 Mentor

Pair of Dice made our kid's day! They were engaged all day, we hadn't seen this at any other FLL event. Them hosting this event also allowed us to reach out to our community where we could donate to support a cause.

### Charles Marshall - FTC #14254 leader

it is both very inspiring and incredible how well-planned you are on every step you take. Certainly learning a lot from just that! Thank you guys for taking the time to help us implement a better structure for our team.

### Joshua Kuiper - Netherlands FRC #6968

Your willingness to put a good word means a lot. Thank you for assisting us into getting us in a regional so we can compete this year. Your team is a hero.
