

WELCOME BACK!

My name is **Miss Slater**, and I'm so excited to be your teacher this year! It's going to be a great year full of new friends, new adventures, and new discoveries. I know you had a fabulous summer, and I can't wait to hear all about it.

This is my fourth year teaching at Tomiyasu. I have taught 2nd and 5th grade. I love teaching 2nd grade! We will work on become fluent readers, mastering addition and subtraction, and so much more!

I was born in California and moved to Las Vegas when I was 5, I have been here ever since! In my free time I like to go to concerts, watch movies, and visit family (and the beach) in California.

I will be utilizing *Kickboard* to track student behavior and parent communication. Please make sure to sign up for the app once you get the kickboard flyer. You may also email me with any questions or concerns. I am so excited for this year!

See you soon!

hello!

2nd GRADE

A FEW OF MY
FAVORITES!

Colors: Red

Season: Fall

Foods: Sushi

Drinks: Iced Coffee

Pets: Cats

Subject: Social Studies

HOMEWORK

Math Page: Students will receive a math page Monday-Thursday night in their blue folder. Homework is expected to be completed nightly and brought back the next day for review. If your child is struggling with the math homework, please write a note on it or email me so I can help!

Reading: Studies show that the best way for kids to improve their reading is by practice! Please make sure your child is reading for 20 minutes a night. I recommend having them read books they enjoy out loud to a sibling, family member, even a pet! Please reach out to me if you would like book recommendations.

Spelling: Each week we will be practicing a spelling pattern. Students will have a choice board of activities they can complete with their word list. I recommend completing at least three activities weekly.

Charge chrome books and bring to school daily! Students will be getting their chrome books on Friday in library.

GRADING POLICY

Grades will be entered in two basic categories: **formative** (independent work, practice, quick checks) and **summative** (assessments). Formative is worth 10% of a student's overall grade. Summative is worth 90%.

Missing assignments will be entered in the gradebook as "L". If an assignment is not turned in by the deadline, it will be assigned a 50%. The following dates are when changes

will be made: 10/7/22, 12/2/22, 3/10/23, 5/5/23. Students may turn in any late work before the above deadlines for full credit. If the student does not turn in the assignment, it will be given a 50%.

Retakes will be allowed for summative assessments if the student has not reached mastery on the subject. If you wish for your child to retake an assessment, please fill out the retake form from the student graded test. I will then contact you and we will discuss a study plan and retake time.

Grading Scale

A	90-100%	Excellent
B	80-89%	Above Average
C	70-79%	Average
D	60-69%	Below Average
F	50-59%	Emergent
