Grade Reform:

Tomiyasu has established that grades will be entered in two basic categories: formative and summative. The assignments entered as formative are weighted as 10% and the summative as 90%.

We have also established that missing /late assignments will be entered in the gradebook as “L”. If an assignment is not turned in by the deadline, it will be assigned a 50%. The following dates are when teachers will make the changes: 10/4/21, 12/3/21, 3/11/22, 5/6/22. More specifically, if the student turns in the assignment, it will be graded and entered as long as it is received prior to the dates listed above. If the student does not turn in the assignment, it will be given a 50%. Please be aware of this because it will affect the student’s overall grade. Retakes will be allowed for summative assessments only and be taken within the quarter. Specifically, an assessment is taken initially plus one retake option. The teacher determines the study plan & the time between initial & reassessment.
