Our application process has **3 critical steps**:

- 2) Complete your application.**
- 3) Apply to open positions.**

1) Create an account.
You are 1/3 of the way there! Since you're on this page, your account is already created. Are you the only ones who put items on a to-do list that are already completed?

2) Complete your application.
Help us help you! It can be challenging, and a big ask, but in order for your application to be complete, we must have the below information/documents. Remember, we are hiring for our students.

- Updated resume
- Email addresses and phone numbers of your 3 most recent supervisors (Yes, we need them to be correct and valid)
- Documents required for the position (CPR card, transcripts, test scores, etc.)
- Documents related to criminal/employment history, if applicable (Better to disclose than to be discovered!)
- Responses to 3 questions (licensed and administrative applicants only).
